

June 2018**Consumers and the Economic Outlook - Quarterly Update - UK**

“The increase in confidence that we discussed in Consumers and the Economic Outlook – UK – March 2018 clearly wasn’t a one-off. Our confidence data has been running for almost a decade now, and people’s assessments, both of their current financial situation and how they expect their finances to shape ...

April 2018**Mortgage Advice - UK**

“Consumer interest in online advice is positive, but many are unsure whether it can completely replace speaking to an adviser face-to-face. Advisers looking to launch online advice services would benefit from continuing to offer consumers choice in how they complete the advice process, such as being able to arrange a ...
