Broadband Providers - Ireland

“Lower cost, faster download speeds and better connections and coverage are important considerations for Irish consumers when switching broadband providers. Emphasising their value-for-money messaging, continuing to upgrade to faster internet connections and improving the range and quality of internet access they offer will help internet service providers to attract new ...

Social Networking - Ireland

“The recent data privacy scandal that resulted in users’ data being accessed by a third-party platform without their knowledge has damaged Irish consumers’ confidence in social networking sites and raised questions about data ownership. Further strengthening of data privacy and security beyond measures already introduced will help social networking sites ...
