Ethical Retailing: Inc Impact of COVID-19 - UK

“The media and high-profile events have all helped to raise consumer awareness regarding ethical standards for retailers. This has been even more prominent during COVID-19, with many headlines covering how retailers have treated staff during the pandemic. Whereas the focus previously was on environmental solutions, consumers now have an increased ...

Consumer Attitudes Towards Cut Flowers and Houseplants: Inc Impact of COVID-19 - UK

“The COVID-19 pandemic has caused disruptions to all stages of the floriculture supply chain which operates at a global level and works inter-dependently to bring flowers and houseplants to key markets such as the UK, all-year round. The ‘domino effect’ that has ensued has placed all businesses and segments of the ...
