### Fashion Online - UK

“In 2022, while growth in the online fashion market has slowed, the channel continues to capture a significantly greater share (44%) of overall spending on clothing and footwear than pre-pandemic. As consumers cut back on discretionary spending amid the worsening cost-of-living crisis, online fashion sales at value-focused retailers and pureplays ...

### Digital Trends Summer - UK

“The metaverse has become a well-worn buzzword since Mark Zuckerberg rebranded Facebook to Meta in October 2021. But even as new metaverses continually come into existence and businesses fall over themselves to be ‘seen’ in the metaverse, consumers remain largely unaware, with just a third claiming to know much about ...
