### Consumers and the Economic Outlook: Quarterly Update - UK

“For the UK, the EU referendum is one of the defining moments of the 21st Century so far, with long-term implications that will rival events as seismic as the financial crisis. The truth is, though, that this early in the process there has been little direct impact on most people’s ...

### Pet Insurance - UK

“The pet insurance market is currently experiencing strong growth, as more owners choose to take out cover. While Mintel expects this to prevail over the next few years, providers must continue to seek efficiencies, in order to contain costs and remain competitive. They must also find a balance between offering ...

### Price Comparison Sites in General Insurance - UK

“The price comparison website industry is in a very healthy position in terms of current use and future opportunities. Future development should continue to focus on increasing the level of convenience provided by sites. Having access to wide-ranging market information has strengthened the consumers’ hand when looking for insurance products ...
