Courier and Express Delivery - UK

“Courier and express delivery services continue to surge, driven primarily by the burgeoning B2C sector and boom in online retail. However, the industry has been marked by intense pricing competition and slim margins. Mounting expectations among the consumer base grow evermore demanding, with convenience and price apex to this.” ...

Legal Services - UK

“Competition in the UK legal services market is expected to further intensify over the coming years, driven by new entrants, rapidly evolving technology, innovation in business models, and changing client buying patterns. The more competitive market also means that technology and innovation will play a key role in ensuring that ...

Security Equipment, Access Control and CCTV - UK

“The security equipment market grew in 2017 as it maintained momentum despite the air of uncertainty surrounding Brexit. Ongoing growth has been underpinned by technological advancements, particularly the integration of equipment, and a surge in cheaper and DIY security systems. A significant rise in core areas of criminality, especially burglary ...
