Personal Pensions and SIPPs - UK

“A combination of increased reliance on workplace pensions and declining transfer business has had a negative effect upon the individual pensions market. Nevertheless, the increase in non-advised business is positive, and reflects the changing nature of the market with growth in the number of D2C providers and options. By focusing ...

Consumers and the Economic Outlook - UK

“Brexit has been delayed again. The public faces a Christmas general election. And the economy narrowly avoided a recession in September. It is no wonder, then, that consumer confidence has taken a hit. However, financial well-being is holding up and the vast majority of people think they’ll be OK in ...

Funeral Planning - UK

“Mainstream providers in both the at-need and pre-paid funerals market have to meet the needs of those seeking more traditional services, along with developing more flexible and personal options for customers. Serving these diverging sets of expectations is challenging and will result the development of new products, services and brands ...
