Consumers and the Economic Outlook: Quarterly Update - UK

“The generally positive outlook of the economic climate, and the benefits that are gradually being witnessed at the individual level, means that the people of Britain are finally regaining their confidence. For the first time since the economic downturn, Mintel’s data shows that more people feel better off compared to ...

Bathrooms and Bathroom Accessories - UK

“The trend to want en-suite bathrooms is encouraging home owners to add extra bathrooms, sometimes by extending their homes. This is stimulating demand for showers as well as for bathroom fittings that work well in small spaces. People also want sleek, stylish bathrooms, inspired by what they see on television ...
