

July 2017**Waste Management and Recycling
- UK**

“The UK waste management industry continues to strive for sustainability in line with the gradual realisation of a circular economy. Impetus around this ambition is expected to remain despite the uncertainty introduced to policy and trade by Brexit.”

April 2017**Potable Water and Sewerage - UK**

“In 2015/16, the first year of the new five-year asset management period AMP6, gross capital expenditure across the water and sewerage industry was recorded at £4.45 billion. The figure is not directly comparable to previous years due to changes in reporting categories, but capital expenditure is still believed to ...
