### Public Expenditure - UK

“A year on from the Brexit referendum, the primary determinate of public expenditure in the period beyond exit negotiations remains the speculative impact that renegotiated trade deals will have on national income. This uncertainty was compounded by the 2017 general election, which revealed growing weariness from the public around ongoing ...

### Domiciliary Care - UK

“Much of the business for commercial operations is likely to continue to be focused on supply contracts for local authorities. However, many commercial operators are expected to increasingly promote private sector services directly to customers amid increasingly tight margins in the sector, and the commercial implications of high exposure to ...
