Debt Management - UK

- There are signs that those most likely to need help managing their debts are slightly more positive about debt management firms. A fifth of those who owe at least £10,000 in unsecured borrowing think that you're able to negotiate a better deal with creditors if you have one of ...

Credit and Debit Cards - UK

This report looks at all aspects of the credit and debit cards market, starting off with the factors that directly affect the market, as well as more general trends like interest rates, consumer spending and PDI. The report considers competing products and alternative payment methods, before looking at the actual ...

Personal Loans - UK

This report examines the size of the personal loan market, providing context against the wider consumer credit market. It also looks at the wider economic factors affecting the demand for and supply of personal loans. Distribution and advertising trends are also considered, along with key developments in the market. Mintel's ...
