#### Oral Care - UK

“Value sales growth in the UK oral care market has been increasingly undermined by falling sales in the mouthwash segment and a decline in new product launches. This underlines the importance of product innovation to the category if it is to return to a higher growth rate in the future ...

#### Consumers and the Economic Outlook: Quarterly Update - UK

“Mintel’s consumer confidence data shows that the economy only has, at best, an indirect impact on sentiment. When the UK economy was outperforming most of its peers, many people were still pretty wary. However, in 2016 sentiment has continued to trend upwards, despite disappointing growth in the economy as a ...

#### Gastrointestinal Remedies - UK

“Sales of gastrointestinal remedies have surged in recent years as consumers have become increasingly aware of their diet and digestive health. However, along with a growing awareness of health issues comes a greater desire to treat illness through dietary changes rather than reaching for medications, which is a challenge for ...

#### OTC Analgesics and Cold and Flu Remedies - UK

“Overall, OTC analgesics and cold and flu remedies have enjoyed strong sales growth in recent years, bolstered by high levels of NPD and sustained investment in advertising, as well as a less effective flu jab in winter 2014/15. However, media headlines over the marketing of some branded analgesics could ...
