The Leisure Outlook - UK

“Whereas the UK leisure economy benefitted from 2018’s summer heatwave and England’s run in the FIFA Men’s World Cup, participation in leisure activities has continued to increase in 2019 so far, with expenditure likely to follow. Whilst high employment levels and positive real wage growth has boosted sentiment, the coming ...

Consumers and the Economic Outlook - UK

“It is a confusing time for the British public. The new Government has been unable to agree a Brexit deal with the EU and Parliament has passed legislation obliging the Prime Minister to request a further extension if he cannot get one. Despite this, Boris Johnson has maintained his stance ...

Burger and Chicken Restaurants - UK

“With more consumers rejecting single-use plastics and pledging to live more sustainably, fast-food brands and governments must draw up plans to eliminate single-use plastics, use more recycled plastic in food and drink packaging and work on more effective recycling.”

Eating Out: The Decision Making Process - UK

“High quality of food is no longer a luxury but an expected standard for restaurants and takeaways. As such, operators need to pivot away from a focus on convenience to instead capture the simple joy of eating outside of the home.”
