B2B Insurance - UK

“The B2B insurance market is going through a transitional period. The expected introduction of the Solvency II framework from 2016 has led to insurers already adjusting their risk management structure to give themselves the best chance of avoiding any financial repercussions from not achieving the required risk profile level. The ...

Accounting and Financial Management - UK

“Growth in the UK accounting and financial management market has been restricted by the sluggish economy in recent years. However the market has started to show stronger growth in 2014 in line with the more robust economic recovery. Consultancy is expected to remain the strongest growth sector, as accountancy firms ...
