### **Pet Insurance - UK**

“The COVID-19 pandemic led to an increase in pet ownership and boosted the value of the pet insurance market. While the length of the crisis is still to be determined, lifestyle changes such as more homeworking are expected to persist in the long term, providing a platform for higher levels ...

### **Consumers and the Economic Outlook - UK**

“The end of social distancing and the associated boost to retail, leisure and entertainment spend brought about an immediate rebound in economic activity, and GDP grew by 4.8% in Q2 2021. Consumers have also responded positively, with Mintel’s current financial wellbeing and financial confidence trackers reaching new record-highs in ...
