Travel Money - UK

“Consumers’ love of overseas holidays has seen overseas spending by Brits continue to increase despite a reduction in business spending abroad. This demand will remain in the coming years, but travel money providers face a growing threat from digital banks.”

Consumers and the Economic Outlook - UK

“The UK left the EU with consumers still expecting Brexit to have a negative overall effect, but with much more positive views than in previous months. The clarity provided by the General Election and delivery of Brexit, continued high employment and above-inflation wage rises, have combined to pushed Mintel’s consumer ...

Retail Payment Options - UK

“The way we pay is changing, with fewer cash transactions and new payment methods emerging. These new payment methods better reflect changes in shopping habits by allowing people to delay payment for online purchases until after they’ve received the item or split the cost to ease the pressure on household ...

Unsecured Loans - UK

“The personal loans market enjoyed bumper growth through most of the 2010s. However, as the decade has come to an end, growth has slumped, due to tightening lending criteria and weakened appetite among consumers to make financial commitments amid Brexit uncertainty. Despite this, signs for the future are positive, with ...
