Department Store Retailing - US

While the economy continues to show lackluster performance and many retailers are struggling to achieve sales targets, some innovative department stores have been able to make significant gains in the latter two quarters of 2009 and the first half of 2010. Clearly, there are opportunities for growth, yet it is ...

Jewelry - US

The U.S. retail jewelry market continues to struggle through the economic recession as consumers continue to limit discretionary spending and the price of precious metals remains high. Brick and mortar stores are also losing ground to online merchandisers as shoppers use the internet to do their comparison shopping and ...
