Each month Mintel's UK Retail Briefing concentrates on a particular sector or market. This month's focus is on food retailing.

This report looks at the following areas:

- Growth of the food retail sector tracked against inflation
- Distribution of food sales across online, c-stores and regular stores and how the balance has evolved over the last five years
- The performance of the discounters
- Recent like-for-like growth records among the leading players.

We also include an Analyst's Comment looking at the merger of Dixons and Carphone Warehouse.
