

Serviced Offices - UK - October 2015

Report Price: £995.00 | \$1611.35 | €1263.96

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

"While London continues to generate the greatest demand for serviced offices, the Midlands and north are key growth areas to watch. Both these regions are benefiting from strong business start-up rates, increased investment, and government policy emphasis. Serviced office providers that are looking to expand will find positive development opportunities in the Midlands and northern regions."

— Ambreen Ahmad, Research Analyst

This report looks at the following areas:

- What are the key factors creating demand for serviced office accommodation?
- How have changing economic conditions affected the market?
- Which factors are driving the move towards wider and more flexible serviced offices provision?
- How are changing labour market trends impacting the serviced office sector?
- What does the future of the UK's serviced office sector look like?
