

## Consumers and the Economic Outlook: Quarterly Update - US - July 2017

Report Price: £1930.65 | \$2500.00 | €2294.39

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

"As of June 2017, the economy is still improving, wages are slowly rising, and unemployment numbers continue to fall.

Consumer sentiment about their financial situation remains healthy, and most consumers don't think their finances will change (or increase) that significantly."

- **Jennifer White Boehm, Associate Director - Financial Services**
