

Consumers and the Economic Outlook: Quarterly Update - US - October 2017

Report Price: £2982.01 | \$3995.00 | €3381.30

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

This report looks at the following areas:

"The US economy remains strong and stable, maintaining most levels it held last quarter. Consumer outlook is still optimistic and positive, but differences in age and income level reveal different motivations for improving the current state of a consumer's finances."

**- Jennifer White Boehm Associate Director -
Financial Services**
