

# Consumers and the Economic Outlook - Quarterly Update - UK - November 2018

Report Price: £1995.00 | \$2693.85 | €2245.17

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

“Financial well-being and confidence was lower in each of the three months to October than we reported throughout the summer months. This matches the stagnant economic performance in August and September. Overall though, most consumers are still getting by, and remain relatively optimistic about their financial future.”

– **Rich Shepherd, Senior Financial Services Analyst**
