

Consumers and the Economic Outlook - US - January 2018

Report Price: £1851.44 | \$2500.00 | €2083.61

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

This report looks at the following areas:

"Economic improvement continued at a relatively steady clip as a new presidential administration took office at the beginning of the year. While there have been natural catastrophes and tragedies throughout the US, the economy has generally remained stable and any expert predictions continue to be optimistic."

**- Jennifer White Boehm, Associate Director -
Financial Services**
