

Leisure Centres and Swimming Pools - UK - September 2019

Report Price: £1995.00 | \$2693.85 | €2245.17

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

“An increase in facility numbers helped the public leisure centres and swimming pools market return to growth in 2019 but the difficulty of upgrading an ageing venue stock while local authority budgets remain heavily constrained means potential for further expansion is limited at best.”

– **David Walmsley, Senior Leisure Analyst**

This report looks at the following areas:

- Leisure centres to gain from healthy new relationships
- Facilities crisis is about quality as much as quantity
