

# Consumers and the Economic Outlook Q3: A Look at Both Sides - US - July 2019

Report Price: £1851.44 | \$2500.00 | €2083.61

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

"A lot of coverage has been given to the growing divide between political views in the US. While there may be cultural and moral differences that cause fundamental shifts in beliefs, some underlying concerns, specifically financial ones, are more similar than different."

**- Jennifer White Boehm, Associate Director - Financial Services & Automotive**
