

Consumers and the Economic Outlook - UK - February 2019

Report Price: £2195.00 | \$2963.91 | €2470.25

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

This report looks at the following areas:

“Concern over the impact of Brexit is more severe than at any other time since Mintel stated tracking this measure, including the initial shock in the immediate aftermath of the vote. People’s confidence in their own financial situation, though, has been on the up in the last three months, buoyed by faster-growing wages and low unemployment. Planned spending has also grown.”
 – **Rich Shepherd, Sr Financial Services Analyst**
