

Security Equipment, Access Control and CCTV - UK - February 2020

Report Price: £995.00 | \$1343.55 | €1119.77

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

“Despite intense international competition and persistent headwinds in the form of Brexit and slowing global growth, the UK security equipment sector grew for a second consecutive year. The sector has benefited from a focus on reimagining existing products in line with a society that values connectivity.”

– **Francesco Salau, B2B Analyst**

This report looks at the following areas:

- Integration remains the key to market success
- Brexit has opened up opportunities but remains a major threat
