

December UK Retail Briefing - 2022

Report Price: £350 | \$495 | €450

The above prices are correct at the time of publication, but are subject to change due to currency fluctuations.

This report looks at the following areas:

- Analyst Comment - 2022: The year of recovery that never was?
- An overview of the latest UK Retail sales
- Sector focus - Online Retailing
- Highlights of the latest UK Retail trend observations
- Monthly headlines and retail news across the UK

"2023 is forecast to be an incredibly difficult year where value is top of the agenda. How difficult will depend on a multitude of factors outside of the retail sector's control, but what 2022 has shown is that there is still significant opportunity in the market for those that are value-led, forward looking and with well laid foundations."
