"Major appliance brands operating in Canada are facing a changing environment of evolving preferences and consumer demand. Manufacturers will need to address cost-sensitivities as the majority of consumers are influenced by price. This may translate to more entry-level devices with less features or more compact design."

Andrew Zmijak, Research Analyst, Consumer Behaviour

This report looks at the following areas:

- Low prices are a major factor
- Younger consumers are influenced by recommendations from family/friends
- Shipping costs may influence choice of retailer
