“Relatively few hotel guests were very satisfied with the quality of food and drink offered during their last stay. Investments in this area should be prioritised as Mintel’s research proves that a strong food and drink offering is likely to lead to a positive customer experience.”
– Marloes de Vries, Senior Travel Analyst

This report looks at the following areas:

- Hotel restaurants fail to impress
- Technology – how to cater for both tech-addicts and tech-avoiders

DID YOU KNOW?
This report is part of a series of reports, produced to provide you with a more holistic view of this market
What you need to know

Products covered in this Report

The market

Volume of UK hotel stays expected to marginally increase in 2019
  Figure 1: Total volume forecast of hotel/motel/guesthouse stays (domestic and inbound), 2014-24

Value will dip in 2019 after which it will continue to grow moderately year-on-year
  Figure 2: Total value forecast of hotel/motel/guesthouse stays (domestic and inbound), 2014-24

Significant increase in room supply in the next five years
